The Residence Hall Department congratulates you on the academic achievements that have led you to take this important step in your life. We are committed to helping you succeed as you embark on a new lifestyle as a student and resident.

As expressed in our mission statement, it is our desire that you become an integral part of Residence Halls and a member of the university community. You will make new friends and meet many people, making your transition to university life exciting. Your success as a member of the new community to which you will belong to will depend on you. Mutual respect for lifestyles that may be different from yours and the needs of others is expected within your stay. By doing this, you will not only develop and succeed as a member of your community, but also as a student within the classroom.

We welcome you to the great family of Residence Halls! Our team will make your stay at Tec de Monterrey very pleasant and educational.

Reynold Lizcano

RESIDENT ASSISTANTS

Each building has a student leader, who is the person in charge. An RA's task is to create a community within your building, holding events and activities focused on the wellness model.

RA's are students like you. If you want to be part of the RA team you can apply from your first semester.

RESIDENCE LIFE

Residence Halls is the ideal space to live in, share and meet people from different places, cultures and customs that will help you put into practice skills and values such as coexistence, tolerance, respect and resilience, as well as learning to be more sociable and sensitive to the needs of your peers.

More than 20 events are held per month focused on different areas of interest that comply with the wellness model, covering the intellectual, environmental, occupational, financial, physical, emotional, social and spiritual fields of each resident.
